INDEX TO VOLUME LXXVI

Pagination According to Months:

January, 1945, pp. 1–60
February, 1945, pp. 61–92
March, 1945, pp. 93–153
April, 1945, pp. 154–178
May, 1945, pp. 179–219
June, 1945, pp. 220–306

Alpern, E. Bryce (See Finkelstein, Nathaniel) 61
Amphetamine (Benzedrine) Sulfate, Effect upon Higher Nervous Activity. Nathaniel Finkelstein, E. Bryce Alpern and W. Horsley Gantt 61
Aneurysms, Arteriovenous, of Pulmonary Circulation. John H. Sisson, George E. Murphy, and Elliot V. Newman 93
Aortic Atresia, Clinical and Pathological Findings. Helen B. Taussig 75
Ashe, William F. (See Eichna, Ludwig W.) 25
Austrian, Robert C. (See Genecin, A.) 112
Austrian, Robert C. (See Whitehill, Richard) 274

Bean, William Bennett (See Eichna, Ludwig W.) 25
Blain, Alexander, III (See Harper, W. Henry) 221
Bodian, David: Experimental Non-paralytic Poliomyelitis: Frequency, and Range of Pathological Involvement 1
Bodian, David (See Howe, Howard A.) 19
Book Reviews 59, 172, 220

Clinical and Pathological Findings in Aortic Atresia or Marked Hypoplasia of the Aorta at its Base. Helen B. Taussig 75

Deal, Carolyn C. (See Najjar, Victor A.) 83

Eder, Howard: Report of a Case of Acute Interstitial Fibrosis of the Lungs 163
Eichna, Ludwig W.: Performance in Relation to Environmental Temperature. Reactions of Normal Young Men to Hot, Humid (Simulated Jungle) Environment 25
Embolism from Obscure Sources. Aubrey O. Hampton, Andrew G. Prandoni and John T. King 245
Environmental Temperature. Reactions of Normal Young Men to Hot, Humid (Simulated Jungle) Environment. Ludwig W. Eichna, William Bennett Bean, William F. Ashe 25
Experimental Non-paralytic Poliomyelitis: Frequency, and Range of Pathological Involvement. David Bodian and Howard A. Howe 1

Finkelstein, Nathaniel: Amphetamine (Benzedrine) Sulfate upon Higher Nervous Activity Compared with Alcohol. II. Human Experiment 61
Fisher, A. Murray: The Therapeutic Value of Penicillin Applied Locally, Based on Experience with the Crude Material in a Variety of Infections 134

Further Observations on the Presence of Poliomyelitis Virus in the Human Oro-Pharynx. Howard A. Howe, David Bodian and Herbert A. Wenner 19
Further Observations on the Self-Regulatory Dietary Selections of Rats Made Diabetic by Pancreatectomy. Curt P. Richter, Edward C. R. Schmidt, Jr., and Paul D. Malone 192
Further Observations on the Treatment of Yaws with Penicillin. Richard Whitehill and Robert Austrian 274

Gantt, W. Horsley (See Finkelstein, Nathaniel) 61
Genecin, A.: Sulfamerazine in the Treatment of Pneumococcal Lobar Pneumonia. An Analysis of 292 Cases 112
Graybiel, Ashton: The Report of a Case of Idiopathic Congenital, (and Probably Familial), Methemoglobinemia 155

Hall, Rowena Sidbury (See Najjar, Victor A.) 83
Hampton, Aubrey O.: Pulmonary Embolism from Obscure Sources 245
Harper, W. Henry: The Effect of Penicillin in Experimental Intestinal Obstruction. Preliminary Report on Closed Loop Studies 221
Hawn, Clinton Van Zandt (See Eder Howard) 163
Howe, Howard A.: Further Observations on the Presence of Poliomyelitis Virus in the Human Oro-Pharynx 19
Howe, Howard A. (See Bodian, David) 1
Howell, William H.: The Isolation of Thromboplastin from Lung Tissue 295

Intestinal Obstruction, Effect of Penicillin by W. Henry Harper and Alexander Blain, III 221
Isolation of Thromboplastin from Lung Tissue. William H. Howell 295

King, John T. (See Hampton, Aubrey O.) 274

Lilienthal, J. L. (See Graybiel, Ashton) 155
Liver Function, a Simple and Practical Test. Victor A. Najjar, Rowena Sidbury Hall and Carolyn C. Deal 83
Lungs, Report of a Case of Acute Interstitial Fibrosis. Howard Eder, Clinton Van Zandt Hawn, and George W. Thorn 163

MacLean, Angus L.: Sjögren's Syndrome 179
Malone, Paul D. (See Richter, Curt P.) 192
Methemoglobinemia. Ashton Graybiel, J. L. Lilienthal, and Richard L. Riley 155
Methylation of Nicotinamide. A Simple and Practical Test for Liver Function (A Preliminary Note). Victor A. Najjar, Rowena Sidbury Hall and Carolyn C. Deal 83
Multiple Congenital Arteriovenous Aneurysms in the Pulmonary Circulation. John H. Sisson, George E. Murphy, and Elliot V. Newman 93
Murphy, George E. (See Sisson, John H.) 93

Najjar, Victor A.: The Methylation of Nicotinamide. A Simple and Practical Test for Liver Function (A Preliminary Note) 83

Nelson, Morton (See Eichna, Ludwig W.) ... 25
Nelson, R. A. (See Genecin, A.) ... 112
Newman, Elliot V. (See Sisson, John H.) ... 93
Nicotinamide, Methylation of. Victor A. Najjar, Rowena Sidbury Hall and Carolyn C. Deal ... 83

Penicillin, Applied Locally. A. Murray Fisher ... 134
Penicillin in Experimental Intestinal Obstruction. Preliminary Report on Closed Loop Studies by W. Henry Harper and Alexander Blain, III ... 221
Penicillin, the Treatment of Yaws. Richard Whitehill and Robert Austrian ... 274
Performance in Relation to Environmental Temperature. Reactions of Normal Young Men to Hot, Humid (Simulated Jungle) Environment. Ludwig W. Eichna, William Bennett Bean, William F. Ashe, and Morton Nelson ... 25
Pneumonia, Sulfamerazine in the Treatment. A. Genecin, R. C. Austrian, and R. A. Nelson ... 112
Poliomyelitis, Experimental Non-paralytic. David Bodian and Howard A. Howe ... 1
Poliomyelitis Virus in the Human Oro-Pharynx. Howard A. Howe, David Bodian and Herbert A. Wenner ... 19
Prandoni, Andrew G. (See Hampton, Aubrey O.) ... 245
Pulmonary Embolism from Obscure Sources. Aubrey O. Hampton, Andrew G. Prandoni and John T. King ... 245

Report of a Case of Acute Interstitial Fibrosis of the Lungs. Howard Eder, Clinton Van Zandt Hawn, and George W. Thorn ... 163
Report of a Case of Idiopathic Congenital, (and Probably Familial), Methemoglobinemia. Ashton Graybiel, J. L. Lilienthal, and Richard L. Riley ... 155
Richter, Curt P.: Further Observations on the Self-Regulatory Dietary Selections of Rats Made Diabetic by Pancreatectomy ... 192
Riley, Richard L. (See Graybiel, Ashton) ... 155

Schmidt, Edward C. R., Jr. (See Richter, Curt P.) ... 192
Sisson, John H.: Multiple Congenital Arteriovenous Aneurysms in the Pulmonary Circulation ... 93
Sjögren's Syndrome. Angus L. MacLean ... 179
Sulfamerazine in the Treatment of Pneumococcal Lobar Pneumonia. An Analysis of 292 Cases. A. Genecin, R. C. Austrian, and R. A. Nelson ... 112

Taussig, Helen B.: Clinical and Pathological Findings in Aortic Atresia or Marked Hypoplasia of the Aorta at Its Base ... 75
Therapeutic Value of Penicillin Applied Locally, Based on Experience with the Crude Material in a Variety of Infections. A. Murray Fisher ... 134
Thorn, George W. (See Eder, Howard) ... 163
Thromboplastin from Lung Tissue. William H. Howell ... 295

Wenner, Herbert A. (See Howe, Howard A.) ... 19
Whitehill, Richard: Further Observations on the Treatment of Yaws with Penicillin ... 274

Yaws, Further Observations on Treatment with Penicillin. Richard Whitehill and Robert Austrian ... 274
